PCS Private Bus Service

PCS is proud to be able to provide a private bus service to the areas of Caddens and Jordan Springs, as well as a bus service that covers the Blue Mountains along the Great Western Highway from Glenbrook to Faulconbridge and out to Winmalee. This service incurs a small cost per term. Any students wishing to use the PCS private bus services must fill in the application form attached.

2022 Fee Schedule

Our fee schedule for 2022 includes an extra charge for families catching these buses:

- \$100 per seat for the term
- the cost per family will be capped to \$200 per term for the remainder of the year to assist with reducing the financial commitment for larger families.

Bus Booking

Families will now need to book in a seat on each bus to ensure that we have the correct number of seats for each student and are operating to the correct capacity. To book your student(s) on the bus, please fill out the attached form, detach from this letter, and either return it to school reception or email it to property@pcs.nsw.edu.au

Please note that the bus spots will be limited to the number of seats that we are able to provide and will be given on a first come, first served basis.

Thank you for your time and attention to this information. PCS aims to improve the service of its buses and continue to provide a safe and private bus route for families.

If you have any questions regarding the above please feel free to contact property@pcs.nsw.edu.au
