IMPORTANT NOTES:

- COURSE/CLASS DATES in bold indicate a variation to VET Courses/Classes. Courses/Classes are held every week of term unless otherwise noted on this Calendar and/or notified by the Delivery School; including as noted for the following circumstances:
 - School (Swimming/Athletics) Carnivals – if held on VET Days, schools must transport VET students from Carnival to Delivery School/s for 1:30pm start.
 - School Camp Weeks – students absent from Courses/Classes on school camps are marked 'absent-explained/school activity' on Course Attendance Rolls.
 - Note: Delivery Schools do not hold classes during their own Year 11 & Year 12 Camp Weeks, unless otherwise notified.
 - Examination Periods – VET Courses/Classes, usually, are held as normal during Examination Periods at Delivery and Home Schools. (See below for VET Examinations.)
 - Work Placement Weeks – VET courses/classes, usually, are not held during WP weeks; but Entertainment & Early Childhood Courses are usually held during WP weeks. Also NOTE: WP hours are included as **indicative hours** towards meeting NESAs required indicative hours for courses/subjects.
- EXAMINATIONS: Year 12 HSC Trial Examinations are held for VET Industry Curriculum Framework Courses. Note: Delivery Schools may choose to hold Preliminary Examinations for their VET Courses. All VET Examinations are held within a Delivery School's Examination Period and at the usual VET Course time on the usual VET Course Day. Otherwise, schools must schedule for normal VET courses/classes during examination periods.
- STUDENT REPORTS: Progress Reports are issued, at least, for end of Year 11 Preliminary and end of Year 12 HSC. Delivery Schools and/or RTOs may issue additional progress reports. Progress Reports may be distributed and/or mailed directly to students with copies placed on file at students' Home Schools.
