

AUTOMOTIVE

NATIONALLY RECOGNISED INDUSTRY QUALIFICATION

@ *Penrith Christian School*

with RTO: Motor Traders Association of NSW

RTO Code: 90402 2019-1

THIS COURSE AIMS to provide students with the relevant technical, vocational and interpersonal competencies suitable for employment and further training in the automotive industry.

The qualification is recognised as an entry-level qualification for employment in the automotive industry and, depending on the qualification undertaken, provides opportunities for such things as:

- Apply knowledge & understanding of WHS requirements, environmental regulations and the operations of the general automotive industry
- Use a range of standard automotive trouble shooting procedures, industry tools and equipment
- Provide services in maintaining and servicing automotive engine and body components.
- Clean and maintain automotive tools, equipment and the garage environment
- Work independently and in teams.

*the **KEY**
Alliance
offers students
a broad range
of pathways to
