

## Work starting on Stage 1 of the M4 Smart Motorway Project from Monday 6 November 2017

The NSW Government is funding this project to introduce a smarter way of travelling the M4 Motorway, which will provide you a more consistent and reliable journey.

Roads and Maritime Services is starting work on Stage 1 of the M4 Smart Motorway project, between Mamre Road, St Marys and Reservoir Road, Eastern Creek. You will notice the following activities happening along the M4 Motorway from Monday 6 November:

- Establishing temporary site compounds and storage areas
- Installing temporary traffic signs and safety barriers
- Geotechnical, survey and utility investigations
- Relocating drainage, water, electricity and power communications cables
- Setting up water basins, dust monitors and sediment fencing to reduce environmental impacts
- Removing some vegetation within the work area.

### Our work schedule

Our standard work hours will be between **7am** and **6pm** from **Monday** to **Friday** and between **8am** and **1pm** on **Saturday**, excluding public holidays, weather permitting. We will also be working at night in some areas. Our night work hours will be between **6pm** and **7am** from **Sunday** to **Friday**. Stage 1 work is expected to be complete by mid 2019.

### How will the work affect you?

Our work may be noisy at times but every effort will be made to minimise these impacts. Nearby residents will be notified in advance of any activities planned at night.

### Cyclists detour

A temporary detour for cyclists will be in place between the Prospect Highway, Prospect, and Mamre Road, St Marys. There will be signs to let you know of this change and they will remain in place until Stage 1 work is complete in mid 2019.

Cyclists travelling east on the M4 Motorway will exit at Mamre Road to access the Great Western Highway, and return to the M4 at the Prospect Highway.

Cyclists travelling west will exit at the Prospect Highway, and enter the Great Western Highway via the on-ramp towards Penrith, and return to the M4 at Mamre Road.

Visit our website to download the detour map: [rms.nsw.gov.au/m4smartmotorway](https://rms.nsw.gov.au/m4smartmotorway).

## Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](https://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have any questions about Stage 1 of the M4 Smart Motorway project please contact our delivery partner Fulton Hogan on **1800 989 929** (press 1) or email [M4SM-Stage1@fultonhogan.com.au](mailto:M4SM-Stage1@fultonhogan.com.au). For more information about the project or to subscribe to our email updates please visit [rms.nsw.gov.au/m4smartmotorway](https://rms.nsw.gov.au/m4smartmotorway).

Thank you for your patience during this important work.

### Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone Roads and Maritime Services on 1800 989 929
